

PARTH SOLANKI

MERN STACK DEVELOPER

+91 94274 29266 | solankiparth94274@gmail.com | [Github](#) | [Linkedin](#)

PROFILE

I'm a Mern Stack Web Developer with practical experience in building responsive and user-friendly web applications. I work with technologies like HTML, CSS, JavaScript, React, Bootstrap, Node.js, and MongoDB. Currently pursuing a B.Sc. in Information Technology, I have strong development fundamentals and a passion for writing clean, scalable code. I enjoy creating seamless interfaces and am eager to contribute to impactful projects while growing in a dynamic tech environment.

WEB DEVELOPMENT PROJECTS

AquaPure – Water Purifier E-commerce Web App (Planned) ([Link](#))

Tech Used : *React.js, Firebase, CSS, JavaScript.*

- Developing a modern and responsive e-commerce website for showcasing and selling water purifiers.
- Integrated product listing with color variants, full details, and WhatsApp-based ordering system.
- Includes secure admin panel with full Firebase CRUD functionality for managing product data.

Certificate Distribution Website – Deepak High School, Amreli ([Link](#))

Tech Used : *React.js, Firebase, CSS, JavaScript.*

- Developed a responsive website for managing and distributing certificates for an essay competition held across Gujarat.
 - Streamlined the process of certificate access for participants, improving efficiency and reducing manual work.
-
